

PARKFIELD 2009 VOLUNTEER INFORMATION

We need assistance in two areas:

1. The crew staffing the gate/ audience area/ hospitality- this is one crew.
2. The crew working on the pre and post festival set-up and take-down.

We are generally looking for volunteers to provide a total of 12 hours of volunteer service in return for free admission and free camping for all four days of the festival. Dry camping is available for RVs and there are limited electrical hook-ups. There is a charge for electricity even for volunteers.

If you wish to work with the gate/ audience/ hospitality crew and take advantage of the offer of one free festival and camping pass, let us know. If you wish to work a shift with a friend or family member, also let us know. We'll try mightily to accommodate all requests. If you have no preference, great, let us know- you're our hero. Remember, if you wish to receive a full festival pass, be prepared to put in roughly 12 hours of work.

Our greatest need at this point is for help with the set-up and take-down of the physical infrastructure of the festival and we would appreciate any assistance you could give us. You should be aware this may involve a fair amount of physical labor but if you are interested, please let us know.

We fill the schedule on a first come, first served basis so the more quickly you respond, the more likely we can accommodate your preferences. We will email you your assigned shifts directly after we complete the scheduling and we will request your confirmation.

Please feel free to email or phone with questions.

If you want to work:

Just email this form to either of us at our email addresses above or you can simply include this information in the body of your email.
